ILLINOIS ASSOCIATION OF HISPANIC STATE EMPLOYEES

IAHSE

MISSION

Our mission as a non-profit, volunteer-driven organization is to advocate for the employment, educational and professional development of Hispanic state employees and to ensure quality services to our Latino communities in Illinois.

Since 1987, IAHSE has been instrumental in addressing issues affecting Latinos in employment and community services. As an advocate, it is IAHSE's intent to remain a viable and effective force impacting the employment and educational policies which may infringe on the aspirations of our constituency.

Because IAHSE is led by a volunteer Board of Directors and is the **FIRST** Hispanic state employees association advocating for Hispanic state employees' rights, we would like to encourage all Hispanic state employees to become members of this organization. We recognize and celebrate the diversity of the Latino culture, but realize there is strength in numbers when it comes to advocacy.

The Association works

To increase the number of Hispanic employees at all levels of state government, including state boards and commissions.

To ensure a quality work environment and increase upward mobility for Hispanics in state government.

To operate a network of information exchange to assist Hispanics in their careers.

To ensure the full delivery of state services and resources to the Hispanic community.

To seek educational opportunities for Hispanic/Latino students.
